# 6 GRADE PARENT LIGHTHOUSE NEWSLETTER 2020

## WELCOME TO 6TH GRADE LIGHTHOUSE COMMUNICATIONS

Greetings family,

We hope that this memo finds you well. On Thursday June 4th, 2020 our principal along with several staff members participated in "A Ride along with Silver" in which they traveled together to the homes of scholars to celebrate those who were performing well throughout the course of the school year. This event brought us together like a community since we were so far apart due to the pandemic. This act of celebration recognized scholars who were being promoted to the next grade, but also received high academic honors in the process. This was a reminder that due to unforeseen events that occur in our lives, there is still so much joy to smile about and be thankful for. Thank you to the families that have shown support to the 6th grade community all year long thus far. In addition, this upcoming week; June 8 through June 12th will be a week of review for scholars as we approach trimester 3 examination week. The final exam will be June 15th through June 19th. A formal schedule of exam dates & subjects will be sent to you shortly. We cannot thank you enough for the work that you've done to support Bronx Prep Middle School. Please take a look at the upcoming information from your scholar's teachers below as well as take a look at the scholars who have been shining during remote learning in T3. Have a great weekend on behalf of the 6th grade community!
